

CardExchange[®] Visitor Management Solutions [®] VISITOR

Introduction

CardExchange[®] Visitor comes in four editions; Enter, Standard, Business, and KIOSK. Use CardExchange[®] Visitor to take maximum control of who is allowed to enter your building and minimize security risks. Monitor visitor data, create check-in policies, and increase security. Within a few steps you can register, authorize, manage, track your visitors, and more. CardExchange[®] Visitor provides a scalable and secure solution to ensure you have the perfect visitor process for your needs.
